PRaise FOR

WEEDING OUT THE MYTHS ABOUT MARIJUANA

"Weeding Out the Myths About Marijuana is one of the most thoroughly researched books I have ever read. It completely changed my mind about this subject. I highly recommend this book."

Jack Canfield
Coauthor of the *Chicken Soup for the Soul*® series and *The Success Principles*™

"Weeding Out the Myths About Marijuana is thoroughly researched and scientifically solid. This thought-provoking book contains compelling arguments against marijuana use. Dr. Raymond Wiggins takes on a complex and controversial subject and produces an informative and enjoyable read. I highly recommend this book."

Kevin A Sabet, PhD
President, Smart Approaches to Marijuana (SAM)
Former Whitehouse Drug Policy Advisor (three administrations)
Author, *Smokescreen: What the Marijuana Industry Doesn't Want You to Know*

"Weeding Out the Myths About Marijuana by Dr. Raymond Wiggins is both a timely and reliable publication that lays out the physical, mental health, and spiritual consequences of marijuana's widespread use. I am grateful for this work, which takes a mountain of information and presents it succinctly."

Ericka P. Greene, MD, MACM
The Sumner Family Chair for Neuromuscular Research Professor of Neurology, Vice Chair of Education, Houston Methodist Hospital—Weill Cornell Medical College
Associate Dean of Clinical Integration, Texas A & M School of Engineering Medicine (EnMED)

"I highly recommend *Weeding Out the Myths About Marijuana* to all who want to be fully informed about this important issue."

Scott Stripling, PhD
Provost & VP, The Bible Seminary
President, Near East Archaeological Society

"I would like to issue a sterling recommendation for the book, *Weeding Out the Myths About Marijuana*. You will discover that this book is informative, winsome, and compelling."

J. Lyle Story, PhD
Professor Emeritus New Testament and Biblical Languages, School of Divinity, Regent University

"Weeding out the Myths About Marijuana is undeniably one of the most comprehensive and thought-provoking pieces of literature I've encountered regarding the subject of marijuana use. This work is timely, offering invaluable insights into a subject that demands our attention and consideration. Whatever your view regarding this topic, I wholeheartedly recommend delving into this book."

Dr. Chad A. Parker, DSW, LMSW, LPC
President, Tupelo Children's Mansion, Inc.
